THE ONLY REMEDY !- HART'S VEGETABLE EX-TRACT is an invaluable remedy for Epileptic Fits or Falling Sickness, Convulsions, Spasms, &c. It is well known that from time immemorial, physicians have pronounced Epileptic fits incurable. It has baffled all their skill, and the boasted power of all medicine, and consequently thousands have suffered through a miserable exis. The proprietors of the vegetable extract, however, feel no delicacy in preclaring the Lit can be cured. They would, therefore, respectfully invite physicians, and all others who are interested, to exemine the testimony which is here offered. If it is deception, let it be exposed; but | February: if it is true, then in the name of humanity, no longer let it be said that

Hart's Vegetable Extract, For sixteen years, has been tested by many persons who have suffered

with this dreadful disease, and in every case where it has had a fair triai, has effected a permanent cure. Col. Denslow, of Yonkers, New York, states that his daughter has been afflicted with fits for more than nine years, and has been cuted by Mrs. J. It will Cure! The child of William C. Anderson, North Fourth street, Williams. burgh, aged 20 months, had fits constantly for eight weeks. A consultation of physicians was called, who decided that the case was a hopeless one, and that the child must die. Whist the child was in this dangerous state, Mr. Anderson called at my office, which was in the month of February last, and obtained a bottle of the extract with August: the accompanying medicines, and administered it to the child, and the

Testimony upon Testimony. In reference to the almost miraculous efficacy of this truly wonderful medicine, read the follow letter from Doctor W. L. Monroe, of Guilford. Ohio, one of the most eminent physicians in that place.

GUILFORD, OHIO, August 17th, 1846. Brother laborer in the cause of Humanity : Dear Sir-It is with no small degree of pleasure that I am enabled to announce to you the complete triumph of your invaluable medicine in cases of Epilepsy. I have prescribed it in four instances in this vicinity, and it has been successful in all. Three of the patients. I trust, have been radically cured. The fourth is rapidly improving, and will, I tlank, without doubt recover. I am not in the habit of prescribing or recommending patent medicines, at when I see an article which promises so much for the relief of suffering humanity, I feel it my duty to recommend it; and I have no hesitation in saying, that as soon as they will close their eyes against prejudice, and fend your a helping hand, I subscribe myself, yours, sincerely, W.
